YEARBOOK DEDICATION

MR. LANE

A yearbook dedication is the highest possible honor a staff can give to a member of the faculty. It is by acclamation that the 1982 ARROW heads of staff dedicate the ARROW to Mr. Lane, who for three years was our sponsor and co-worker.

Those who know Mr. Lane will no doubt agree that he truly deserves this dedication. To his math students, Mr. Lane is an exceptional instructor who makes the climb up the mathematical ladder less painful with his comedy and patience. To the members of the yearbook staff, he is not only an instructor, but also a valuable friend and counselor who, although not officially affiliated with the staff in 1982, was willing to help with layouts, copy, and planning when we had run aground.

We dedicate the ARROW to this special person for cumulative reasons. It is rare that a person possesses such a character as that of Mr. Lane. In him can be found a state of seriousness, often overshadowed by an air of comedy, and patience similar to that of Job.

It is through this dedication, as well as an immense thank you, that the members of the 1982 yearbook staff wish to express their gratitude to Mr. Lane for all of his support, hard work, patience, and understanding in assembling the ARROW. Without him, our task would have been extremely difficult. In most cases, the person receiving the dedication has no connection with the content of the publication, but in ARROW 1982, the influence of Mr. Lane is distributed heavily throughout its pages.

A Tribute

As a bright and fleeting star that streams
across our planet, sputters and shines, and is no
more;

He hurtled through our lives, leaving us
amazed, in wonderment, always longing for
the next glimpse, the touch, the talk, the unin-
terrupted moment.

A thing of beauty is a joy forever:
Its loveliness increases; it will never
Pass into nothingness; but still will keep
A bower quiet for us, and a sleep
Full of sweet dreams, and quiet breathing.

What the dead had no speech for, when
living,
They can tell you, being dead: the
communication
Of the dead is tongued with fire, beyond the
language of the living.

We loved Bill Brown, this "magic man"
who came to us for a while;
We know he loved us.
May God rest his soul and comfort ours.

The Lady Warriors

KNEELING: Captain- Sue Banks, Co-Captain- April Edwards. STANDING: Coach- Miss Wright, Shellie Orr, Cassandra Jones, Tammie Parks, Karen Mayfield, Kathy Warren, Manager- Lori Barricks.

The Lady Warriors ended the 1981 season with a 10-10 record and placed 6th in the Dominion District. Sue Banks and Tammy Parks were the only returning players for the 1980 squad. Rounding out the squad were April Edwards (co-captain), Karen Mayfield, Kathy Warren, Shelly Orr and Cassandra Jones. Tammy Parks led the team in rebounding and was an All District Honorable Selection.

Sue Banks earned her way into the public eye by setting scoring records for Matoaca High and the Dominion District. Sue scored 50 points single handedly against two different teams. The senior co-captain also set a school record for total career points scored by a female player. Sue scored 1,933 points in 4 years of play.

During the 1981 season Sue led the Dominion District and Tri-City area in scoring with an average of 33.4 points per game. She was selected as a First Team All-District Player and MVP for the team.

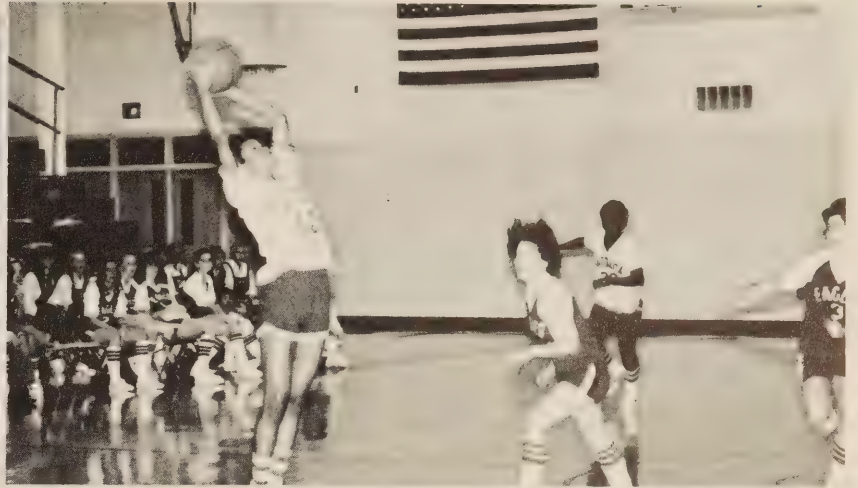

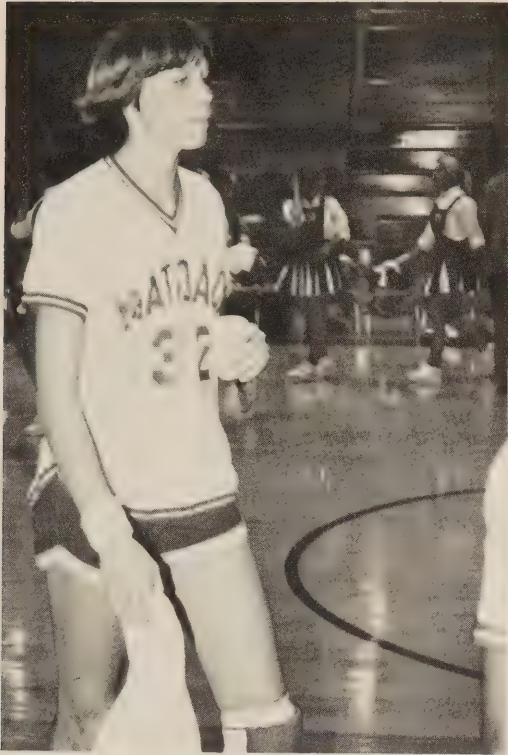

The team wishes the number 13 will bring Sue as much fortune in the future as it has in the past.

The SCA began its year with one of the biggest and most eagerly anticipated events of the year, Homecoming. All during the week preceding the game, the clubs and classes were busy making floats and decorating their cars. Homecoming festivities were a big success with Dana Washington crowned as Miss Homecoming 1981. The junior class won the events for spirit week and the Future Homemakers of America (FHA) won the club float competition.
